

... because a great day starts with a great night's sleep.

### **S3** Cold foam mattress with plant oils

- Cold foam core with soy bean oil
- Comfortable lying thanks to anatomically correct positioning of the spinal column
- Good reclining comfort thanks to greater elasticity
- Temperature and moisture balancing
- Low-maintenance thanks to removal, washable, or dry-clean safe covers
- Made in Germany

**S3**  
Soy

## S3 Cold foam mattress with plant oils

The structured core made of HR cold foam with soy bean oil is characterized by high elasticity. The S3 Soy is an extremely comfortable and long-lasting mattress.

Selecta covers have a soft surface and are especially sturdy. They ensure excellent moisture balance.

### Washable cover

All-around finish S860

- Sturdy double jersey, 59% polyester, 41% viscose
- Quilted with approx. 400 g/m<sup>2</sup> of breathable fiber
- All-around zipper
- Separately removable cover
